1. It has been reported that 9 - 12 locomotives of 10-ton weight, small trucks and other industrial equipment, are expected to arrive in Trieste in transit from Poland for delivery to Albania. Like similar Hungarian equipment already in use, it is anticipated that this material will be used in conveying mineral ores from mines to Durres.
2. In exchange for the above equipment, like values of chrome ore will be shipped from Durres to Gdynia, Poland, aboard Soviet ships.
3. It is also reported that the Polish transport shipment will be handled by Deschman and Terrile, 4 Via del Teatro, Trieste.
4. Ihsan Budo is reportedly seeking a Trieste shipping agent to provide cargo space for the Polish shipment to Durres; the agent will probably be the Rocco Shipping Agency, 4 Via dell'Arsenale, Trieste.
